[REDACTED]

Reference is made to the final report of inventions and sub-contracts (DD Form 882) applicable to the subject task order, which was submitted to your office on 12 March 1965.

STATINTL

[REDACTED] has now decided that it does not desire to file a patent application on the "Improved Photo-Interpretation Apparatus" invented by [REDACTED]

STATINTL

[REDACTED] Docket No. 360) because it is too closely anticipated by the [REDACTED] photo printing machine.
